

Fancy a long weekend in one of **Australia's hottest** holiday spots?

Sit back, relax – soak up the sun, listen to the sound of the surf pounding on a sandy beach. A long tall glass of something refreshing in your hand. (Maybe with an umbrella in it? Ah ... maybe not.)

Sound like paradise? Surfers Paradise to be exact. And that's where you could be heading 6–9 September 2012, for an action-packed, luxurious four-day weekend for two in our annual holiday prize draw. We already have the holiday booked so make sure that you clear your diary for next September! It's such a fantastic prize, so we just had to open it up to members of both the Contact Connectors Club (CCC) AND the Frequent Fitter Club (FFC) loyalty programmes.

How it works

All you need to do is clock up six or more connections between **1 July 2011 and 30 June 2012**. You'll automatically go into the draw each time a connection is rewarded* during the competition period. This includes one entry for each of the first six connections.

* 'Rewarded' means a connection that you have been awarded points for and been rewarded for in the form of a Prezzy Card or direct credit by us.
